2. LEGAL FRAMEWORK

- 2.1 Bolt Food Platform enables the Partner to solicit Orders of Goods from the Clients, which will be delivered to the Clients by the Delivery Partners or picked-up directly by the Clients.
- 2.2 For the sale of Goods through the Bolt Food Platform, a Sales Agreement is concluded directly between the Client and the Partner. For the delivery of the Order, the Client enters into a Delivery Agreement directly with the Delivery Partner. In case the Client wishes the Order to be delivered by the Delivery Partner, the Sales Agreement is deemed to be concluded from the moment that the Order is accepted by the Partner and the Delivery Partner and an Order confirmation is sent to the Client. In case of self pick-up by the Client, the Sales Agreement is deemed to be concluded from the moment that the Order is accepted by the Partner and an Order confirmation is sent to the Client. The Sales Agreement is concluded through an offer and acceptance model based on the Client's Order under the local laws.
- 2.3 The Partner will be liable for the Goods (and production of Goods, if applicable) according to the Sales Agreement and the Delivery Partner will be liable for the delivery of the Order according to the Delivery Agreement.
- 2.4 By operating the Bolt Food Platform, Bolt acts only as a provider of the information society service and is neither a party to the Sales Agreement or the Delivery Agreement. Bolt is not the provider of the Goods or delivery services and is not liable in any way for the performance of the Sales Agreement or the Delivery Agreement.

- 2.5 The Partner hereby authorises Bolt to act as the Partner's commercial agent in relation to any Sales Agreement and Delivery Agreements (if applicable). The Partner hereby grants Bolt a right to negotiate the Sales Agreement and (where applicable in accordance with Section 2.5) the Delivery Agreement with the Client, including, but not limited to, collect the Goods Price, Delivery Fee (where applicable) or other fees payable by the Client and the Bolt Business Customer to the Partner under the Sales Agreement and (where applicable in accordance with Section 2.5) the Delivery Agreement and to forward the relevant funds to the Partner in line with this Agreement. The Partner acknowledges that the payment obligation of the Client arising from the Sales Agreement and (where applicable) from the Delivery Agreement is deemed to be fulfilled when the payment is credited onto the bank account of Bolt or, as the case may be, when the Client has paid the Goods Price in full to the Delivery Partner in cash upon the delivery of the Order or the Client has paid the Goods Price in full directly to the Partner at the Partner's establishment.
- 2.6 In case the Partner wants to offer its own delivery services to the Client for the delivery of the Goods, the Client enters into a Delivery Agreement directly with the Partner and the conditions applicable to Delivery Partners under these General Terms apply to the Partner in respect of the Delivery Agreement. The Partner shall attend and where relevant, shall ensure that its employees and/or contractors shall attend, training(s), pass appropriate exam(s) and maintain all licences, permits, registrations and approvals required for the lawful provision of service(s) pursuant to Delivery Agreements under applicable law. Furthermore, the Partner shall make certain before each delivery of food that the thermo-bag is clean and in good order and is used in a manner that ensures food and health safety and prevents the contamination of food.
- 2.7 Bolt is entitled to share with the relevant government authorities any information required under relevant government regulation, including but not limited to any consideration paid or credited to the Partner in connection with the activities carried out through the Bolt Food Platform. Where the Partner does not provide the information required pursuant to legal provisions and the applicable law, Bolt is entitled to (i) terminate the Agreement; (ii) prevent the Partner from re-registering on Bolt Food Platform and/or (iii) suspend the Partner from the Platform as long as the Partner does not provide the information requested.
- 2.8 The Partner must provide Bolt with accurate and up-to-date contact and tax information and documentation and must ensure that such information remains accurate and up to date. The Partner shall promptly notify Bolt of any changes, giving reasonable notice to allow Bolt to update its records and ensure compliance with its legal and operational obligations. This includes full name, address, email, phone number, payment account details, company information, and tax registration number or any other information requested by Bolt. To the maximum extent permitted by law, Bolt shall not be liable for any loss, damage, cost, or claim arising from the Partner's failure to provide accurate or updated information.

3. PLACEMENT OF ORDERS

- 3.1 When the Client has placed an Order, the Partner ensures that the confirmation of the Order will be decided within the time period provided in Schedule 1 (Service Level Requirements)..
- 3.2 In the event that the Partner cannot provide the Goods as requested in the Order, the Partner shall not confirm the Order in the Bolt Food Platform, unless an auto-acceptance function is enabled, in which case requirements in Schedule 1 (Service Level Requirements) of these General Terms shall be followed.

- 3.3 The Partner shall procure that the Orders are monitored in a constant manner during the Opening Hours of the Partner's establishment, in accordance with the requirements in Schedule 1.

The detailed requirements and instructions for the handling of Orders are provided in Schedule 1 (Service Level Requirements) to these General Terms.
- 4.2 The Partner shall use its best endeavours to ensure the availability of all Goods that are displayed on the Bolt Food Platform. In the event that the Partner is or is likely to become unable to fulfil the Orders, the Partner will cease to accept any further Orders and mark itself as offline on the Bolt Food Platform until readiness to fulfil the Orders is restored.
- 4.3 The Partner shall ensure that the Goods prepared for delivery to the Client and/or pick-up by the Client comply with the Order of the Client. The Partner shall use its best endeavours to comply with specific instructions and requests of the Client, if applicable.
- 4.4 The Order shall be ready for pick-up by the Delivery Partner or by the Client within the timeframe specified in Schedule 1 (Service Level Requirements). The Partner has a right to opt-in and opt-out from the take-away function (i.e. self pick-up by the Client) at any time. The Partner shall make sure that a right Order is picked up by the Delivery Partner. In case the Delivery Partner picks up a wrong order, Bolt may deduct the Order Price from the weekly payment between Bolt and the Partner. If the Order is not prepared within the timeframe specified in Schedule 1, Bolt may make deductions from the weekly payout. The amount of the deduction will depend on the length of the deviation from the specified timeframe and will not exceed the Goods Price. The reductions in this clause reflect a pre-estimated loss incurred due to the error/delay, taking into account customer experience and operational costs.
- 4.5 The Partner shall ensure that the ordered Goods are properly packaged (incl. in accordance with all food safety requirements in case the Goods contain food), taking into account that the Delivery Partner or the Client will only be required to pick-up a packaged Order. In case the Goods contain food, the Delivery Partner will also be required to place it into the thermo-bag for delivery. The packaging may not include any logos of the competitors of Bolt. The packaging may not include any advertising material of third parties (incl. the competitors of Bolt), unless agreed otherwise in the Partner Specific Conditions.
- 4.6 The Partner ensures that the Goods prepared for delivery by the Delivery Partner and/or self pick-up by the Client:
- 4.6.1 correspond to the description of the Goods on the Bolt Food Platform (including indications that particular Goods are gluten or nut/free or suitable for vegetarians or vegans in case the Goods contain food);
 - 4.6.2 are not harmful to health or the environment;
 - 4.6.3 are not deemed to be illegal under the applicable laws or otherwise contravene General Terms;

- 4.6.4 have been properly cooked or prepared and are otherwise safe, of high quality, fit for transportation and consumption and at an appropriate temperature for consumption by the Client in case the Goods contain food;
 - 4.6.5 comply with all applicable requirements for the preparation/production and packaging at all times (including as reasonably required to withstand the delivery process);
 - 4.6.6 correspond to the greatest extent possible to the photography uploaded on the Bolt Food Platform.
- 4.7 The Partner must promptly notify Bolt if the Partner becomes aware of any illegal Goods listed on the Bolt Food Platform.
- 4.8 Bolt shall have the right to inspect the process of the provision of services by the Partner at any time.
- 4.9 Bolt has the right to cancel the Order made through Bolt Food Platform unilaterally:
 - 4.9.1 if the Client has requested to cancel the Order before the Partner has accepted the Order. In such cases the Partner is not entitled to any fees under the Section 7;
 - 4.9.2 before a preparation notification has been sent to the Partner. In such cases the Partner is not entitled to any fees under the Section 7;
 - 4.9.3 if the Client has requested to cancel the Order before the Partner has started preparing the Order. In such cases the Partner is not entitled to any fees under the Section 7;
 - 4.9.4 if the Client has requested Order cancellation after the Partner has started preparing the Order and the estimated time of delivery of the Order according to the Bolt Food Platform has not been exceeded. In such cases the Partner is entitled to the fees under Section 7 of the General Terms, except for Goods that do not require preparation by the Partner as per the Order (e.g. canned or bottled drinks, retail products);
 - 4.9.5 if the Client has requested to cancel the Order after the Partner has started preparing the Order and after the estimated time of delivery of the Order according to the Bolt Food Platform has been exceeded. If the estimated time of delivery was exceeded due to the Partner's fault then the Partner is not entitled to any fees under Section 7 of the General Terms. In such cases Bolt has the right to charge the Partner for the cost of the delivery; or
 - 4.9.6 before the Order has been picked up. In such cases the Partner is entitled to the fees under Section 7 of the General Terms, except for Goods that do not require preparation by the Partner as per the Order (e.g. canned or bottled drinks, retail products).
- 4.10 In case the delivery services are provided by the Partner, the Partner warrants that during the course of providing the delivery service, it complies and where relevant, its employees and/or contractors who are providing the delivery service on behalf of the Partner, comply with all relevant laws and regulations applicable to the provision of delivery service to the Client.
- 4.11 Bolt may allow Partners to sell Goods by weight, offer replacement of Goods in the Order, and charge extra for packaging in case the Partner needs to use additional packaging to assemble the Order. In case the aforementioned solutions are used the price of Goods displayed to the Client on the Bolt Food Platform is only an estimate given by the Partner. To cover potential price

differences, Bolt makes a temporary authorization on behalf of the Partner on the Client's payment card in the amount of an adjustment fee or adds an adjustment fee at checkout for cash payments. Before delivery or pickup, Partners must submit final weight, price, or packaging details to Bolt, which must also be reflected on the cash register/fiscal receipts (as required by applicable law) issued to the Client. Clients are charged only for the actual Goods/package they receive and if the adjustment fee does not cover the higher price difference, the Partner covers the price difference. The Partner is responsible for ensuring the accuracy of the final recorded weight, price, and packaging, and Bolt may deduct any undue fees from the Partner in case of discrepancies.

- 4.12 Bolt may allow Partners to offer Clients the option to apply the Partner's loyalty benefits to their Orders (e.g. by entering a loyalty card number) before payment. Bolt is not liable for any technical or non-technical errors affecting the application of loyalty benefits. Before delivery or pickup, the Partner must submit the final Goods Price (taking into account any discounts based on the loyalty benefits) to reflect it on the cash register/fiscal receipts (as required by applicable law) issued to the Client. Bolt charges the Client only for the final Goods Price. The Partner is solely responsible for discrepancies between the receipt and the final price charged, and Bolt may deduct any undue charges from the Partner if inconsistencies arise.

returned to Bolt in good order, taking into account the normal wear and tear. Bolt may impose instructions on how to return the devices. If the Partner fails to return the rented devices and any other equipment, Bolt may impose a contractual penalty in the amount equivalent to the value of the device or keep the deposit if a deposit was applied. When necessary, Bolt and the Partner shall agree on the maintenance or the replacement of the rented devices.
