

CIVIL LIABILITY INSURANCE CERTIFICATE

AXA France IARD (the "Insurer") certifies that it has agreed to provide an insurance policy to cover the period from 01.04.2026 00:00 hours to 24:00 hours of 31.03.2027 ("Policy Period") and this insurance policy will be renewed annually at the renewal date on the 01.04 of each year.

The **Civil Liability Insurance Policy no. 22270241604** ("Policy") will be issued to and shall insure **Bolt Services NO AS** (the "Policyholder" or the "Insured"), registered in Oslo under the number 925 589 799, whose address is Industrigata 36, 0357 Oslo, Norway.

The policy will also insure as beneficiaries:

- **All users of Bolt Services NO AS ("Riders") in Norway.**

The Insurer shall indemnify any non-contractual civil liability that the Riders may incur, in accordance with the applicable legislation, arising from property damage and any consequential financial losses caused to third parties, as well as bodily injury caused to themselves and/or to third parties, resulting from the insured activity specified in the Policy, provided that such liability is covered under the terms, conditions, and exclusions of the Policy.

The latter is set in accordance with Norwegian motor third party liability legislation.

The Policy will cover the civil liability of the insureds mentioned above up to the limits of indemnity indicated hereafter. These limits are understood per claim:

- **Bodily injury: Unlimited without deductible**
- **Property damage: NOK 100 000 000 without deductible**

This certificate only indicates the agreement of the Insurer and Policyholder to arrange an insurance policy and is not intended to confirm, modify, extend, or substitute the content of the Policy or any terms that have been accepted by the Policyholder and that govern the cover intended to be provided by the Policy.

In witness whereof, the present certificate is hereby issued in Nanterre, France on March 24, 2026.
