

# Bolt Group Companies (including partners) and Controllers Lists

This document sets out the Bolt Group Companies (including partners) that process the personal data of Drivers and Passengers when providing the Bolt services and when those companies act as data controllers of your personal data.

We may update these tables from time to time, so please check back periodically to keep up to date. If you have questions, please contact us by email at [privacy@bolt.eu](mailto:privacy@bolt.eu).

## Bolt Group Companies List

The table below sets out the Bolt Group Companies that we share personal data with, as explained in our Privacy Notice, for the provision of the Bolt services. It includes Bolt local subsidiaries and third party partners which are engaged in the operation of the Bolt Platform, provision of Bolt services or provide support services locally.

Please be aware that the sharing of your personal data between Bolt Group Companies may involve transferring your personal data to a Bolt Group Company located in another country. However, any transfers will be conducted lawfully and securely. The Bolt Group Companies are listed below according to the country in which they are located.

### a.Bolt Subsidiaries and Partners

| Country      | Name of Subsidiary/Partner                                                              | Reg. No.    | Address                                                                                      |

## b. Controllers List

Bolt data controllers are the companies that make decisions about how and why Bolt handles your personal data. The table below shows which Bolt data controller makes decisions about the personal data we handle in connection with providing the Bolt services.

| <b>Your Country</b> | <b>Name and Contact Details of the Data Controller</b>                                                                                                                                          |
