By using the Bolt Platform or any other Bolt Services you do not acquire any rights of ownership to any intellectual property.

4. PROVIDING THE TRANSPORTATION SERVICES

4.1. The Driver's Obligations. You hereby guarantee to provide Transportation Services in accordance with the General Terms, Agreement as well as laws and regulations applicable in the state where you are providing Transportation Services. Please note that you are fully liable for any violation of any local laws and regulations as may arise from providing Transportation Services.

4.2. You must have all licenses (including a valid driver's license), permits, car insurance, liability insurance (if applicable), registrations, certifications and other documentation that are required in the applicable jurisdiction for providing the Transportation Services. It is your obligation to maintain the validity of all aforementioned documentation. Bolt reserves the right to require you to present evidence and submit for review all the necessary licenses, permits,

approvals, authority, registrations and certifications.

4.3. You must provide the Transportation Services in a professional manner in accordance with the business ethics applicable to providing such services and endeavour to perform the Passenger's request in the best interest of the Passenger. Among else, you

(i) must take the route least costly for the Passenger, unless the Passenger explicitly requests otherwise;

(ii) may not make any unauthorised stops;

(iii) may not have any other passengers in the vehicle other than the Passenger and the passengers accompanying the Passenger; and

(iv) must adhere to any applicable traffic acts and regulations, i.e must not conduct any actions that may disrupt driving or the perception of traffic conditions, including holding a phone in his/her hand while the vehicle is moving.

(v) you must take special care to ensure that your actions, in any way, do not endanger the safety of Passengers and/or fellow passengers while driving and/or while having a direct contact with them.

4.4. You retain the sole right to determine when you are providing the Transportation Services. You shall accept, decline or ignore Transportation Services requests made by Passengers at your own choosing.

4.5. Costs you incur while providing the Transportation Services. You are obliged to provide and maintain all equipment and means that are necessary to perform the Transportation Services at your own expense, including a car, smartphone, etc. You are also responsible for paying all costs you incur in the course of performing the Transportation Services including, but not limited to, fuel, mobile data plan costs, duty fees, amortization of the vehicle, insurance, relevant corporate or payroll taxes etc. Please bear in mind that using the Bolt App may bring about consummation of large amounts of data on your mobile data plan. Thus, we suggest you subscribe for a data plan with unlimited or very high data usage capacity.

4.6. Fares. You are entitled to charge a fare for each instance you have accepted a Passenger on the Bolt Platform and completed the Transportation Service as requested (i.e. Fare). The Fare is calculated based on a default base fare, the distance of the specific journey as determined by the GPS-based device and the duration of the specific trip. The default base fare may fluctuate based on the local market situation. In markets with In-app payment, you may negotiate the Fare by sending us a pertinent request that has been either signed digitally or by hand. Additionally, you shall always have the right to charge the Passenger less than the Fare indicated by the Bolt App. However, charging the Passenger less than the Bolt App indicates, does not decrease the Bolt Fee.

4.7. Upfront Fare. A Passenger may be offered to use a ride option that allows the Passenger to agree to a fixed Fare for a given instance of Transportation Service provided by you (i.e Upfront Fare). Upfront Fare is communicated via the Bolt App to a Passenger before the ride is requested, and to you when the ride is accepted or at the end of the ride. The Fare calculated in accordance with section

4.6 shall be applied instead of Upfront Fare if the Passenger changes the destination during the ride, the ride takes materially longer than estimated due to traffic or other factors, or when other unexpected circumstances impact the characteristics of the ride materially (e.g a route is used where tolls apply).

4.8. In markets with In-app payment, if you find that there has been an error in the calculation of the Fare and wish to make corrections in the calculation of the Fare, you must submit a petition in the section „Fare Review“ of the Bolt App. If a petition in the section „Fare Review“ of the Bolt App has not been submitted, then Bolt shall not recalculate the Fare or reimburse you for an

error made in the calculation of the Fare. This option is not applicable in markets with only cash payment.

4.9. Bolt may adjust the Fare for a particular order completed, if we detect a violation (such as taking a longer route or not stopping the fare meter of the Bolt App after the Transportation Services have been completed) or in case a technical error affecting the final fare is identified. Bolt may also reduce or cancel the fare in case we have reasonable cause to suspect a fraud or a complaint by the Passenger indicates a violation by you. Bolt will only exercise its right to reduce or cancel the fare in a reasonable and justified manner.

4.10. Passengers may have the option to pay the fare for the Transportation Services either directly to you or via the In-app Payment, in markets where this option is available, as described in section 6 of these General Terms. In case the Passenger pays the Fare directly, it is your obligation to collect the Fare. In case the Passenger fails or refuses to pay, Bolt will send a notice of debt to the Passenger on behalf of you. Such authorisation derives from the mandate of paying agent given to Bolt and does not entail that Bolt has an obligation to compensate the Fare not paid by the Passenger. If the passengers in the vehicle do not agree to pay the Fare for the provision of Transportation Service, the Fare will be paid by the Passenger who has ordered the provision of Transportation Service. If Passenger justifiably refuses to pay the Fare on the account that your information stated in the Bolt App is incorrect, then Bolt will not reimburse you for such expenses.

4.11 Tips. In some markets Passenger may be given the option to tip you after a successful provision of Transportation Services. The Passenger can Tip you only by means authorised by Bolt for Tipping. The Tip will not affect the amount of Bolt Fees and Bolt will not collect a commission on the Tip paid by the Passenger. You are obliged to fully comply with any tax obligations arising from the Tipping. We may limit the maximum value of a Tip at our sole discretion.

4.12. Receipts. After each successful provision of Transportation Services, Bolt shall create and forward a receipt to the Passenger consisting of some or all of the following information: the company's business name, place of business, the first name and surname of the Driver, a photo of the Driver, service license number (if applicable), the registration number of the vehicle, the date-, the time-, the start and end locations-, the duration and length-, the Fare and the Fare and Tip paid for the provision of the Transportation Services. The receipt of each provision of Transportation Services is available to you via the Bolt Driver Account.

4.13. Cancellation fee & wait time fee. Passenger may cancel a request for Transportation Services that a Driver has accepted via the Bolt App. In some markets, Driver may be entitled to the Fare for cancelled Transportation Services (Cancellation Fee) in the event that a Passenger cancels accepted request for Transportation Services after a certain time period determined by Bolt App.

4.14. If, in the course of the provision of the Transportation Services, a Passenger or its co-passengers negligently damage the vehicle or its furnishing (among else, by blemishing or staining the vehicle or causing the vehicle to stink), you shall have the right to request the Passenger to pay a penalty up to 50 EUR and request compensation for any damages exceeding the penalty. If the Passenger does not consent to paying the penalty and/or compensating the damage, you must notify us and we will then try to collect penalty and/or relevant costs on your behalf from the Passenger. However, bear in mind that we are not taking any liability for direct or indirect damages in relation to cleaning or maintenance of the vehicle caused by Passenger.

4.15. Your tax obligations. You hereby acknowledges that you are obliged to fully comply with all tax obligations that arise to you from the applicable laws in relation to providing the

Transportation Services, including

- (i) paying income tax, social security tax or any other tax applicable; and
- (ii) fulfilling all employee and tax registration obligations for calculations in regard to accounting and transfers to applicable State authorities as required by the applicable law. In case the relevant tax authority will submit a valid application to us to provide information regarding the activities of you, we may make available to the relevant tax authority the information regarding the activities of you to the extent set forth in valid legal acts. Additionally, it is your obligation to adhere to all applicable tax regulations that may apply in connection with the provision of Transportation Services. You hereby agree to compensate Bolt all state fees, claims, payments, fines or other tax obligations that Bolt will incur in connection with the obligations arising from applicable tax regulations not having been met by you (including paying the income tax and social tax).

4.16. The Driver's authorisation to issue invoices. Bolt has a right to issue an invoice on your behalf to the Passenger in order to compensate you any Fares, contractual penalties or other fees that Bolt mediates to you. In markets where Bolt issues invoices, the invoice will be made available to you via the Bolt Driver Account.

4.17. If any of the information you or Drivers acting on your behalf provide to Bolt is deemed to be illegal content under applicable laws or otherwise contravenes these General Terms, Bolt reserves the right to:

- (i) remove, disable access or demote such content,
- (ii) suspend, terminate or restrict any monetary payment due from Bolt to you,
- (iii) suspend or terminate the Bolt Services in whole or in part, and/or
- (iv) suspend or close your Bolt Driver Account or, if applicable, your Fleet Owner Portal account.

4.18. All content uploaded to the Bolt Platform by you or any person authorised to act on your behalf is subject to the sole responsibility of the Transportation Service Provider, and Bolt is under no obligation to actively monitor or review such content. Nevertheless, Bolt is entitled to remove any allegedly illegal content at its own discretion and after the receipt of a notice and/or order regarding the existence of such content on the Bolt Platform. Should the Transportation Service Provider disagree with Bolt's decision on removal of the content, the Transportation Service Provider is solely responsible for providing additional information why the content is not illegal or incompatible with these General Terms within Bolt's internal complaint-handling procedure.

4.19. To ensure the safety on Bolt Platform, neither you nor the Drivers acting on your behalf are allowed to carry Prohibited Items while using the Bolt App and Bolt Services, unless otherwise stated in the applicable laws. The Transportation Service Provider may refuse the provision of the Transportation Services to the unauthorized possessor of the Prohibited Items. Bolt may at any time discontinue the provision of Bolt Services to the Transportation Service Provider and, as the case may be, to the Drivers acting on behalf of the Transportation Service Provider, that do not comply with this section of these Terms and applicable laws, and report an unauthorized use of the Prohibited Items to the authorities. The Prohibited Items include, among other things:

4.19.1. firearms and their parts, ammunition, melee weapons, other items specially designed for attack and defense;

4.19.2. flammable, combustible, explosive and radioactive or other ionizing substances, munitions, gas, infectious, poisonous or corrosive materials which by their nature may pose danger to the environment;

4.19.3. drugs and other psychotropic substances which are subject to special control in accordance with the legislation;

4.19.4. any other items that are not allowed to be carried or transported by law and items that

cannot be carried or transported without additional licenses, permits and approvals.

5. BOLT FEES

5.1. In order to use the Bolt Services, you are obliged to pay a Bolt fee (i.e. the Bolt Fee). The Bolt Fee is paid based on the Fare of each Transportation Service order that you have completed. The amount of the Bolt Fee is made available to you via e-mail, Bolt App, Bolt Driver Account or other pertinent means. Please note that the Bolt Fees chargeable may change from time to time, considering the principles of dynamic commission pricing that take into account (i) the balance of the supply and demand for the Transportation Service, (ii) characteristics of the ride ordered; and (iii) conditions of any applicable campaigns. The Bolt Fees shall not go above the highest rate for Bolt Fees, that we have communicated to you ("Highest Rate of Bolt Fees"). However, we may increase the applicable Highest Rate of Bolt Fees at any time by giving you prior notice.

5.2. You must pay the Bolt Fee and any other fees due to us for the previous month at latest by the 15th date of the following month. Upon delay with payment of the Bolt Fee, you shall be obliged to pay a penalty of late payment in the amount of 0,04% (zero point zero four percent) of the unpaid amount per day. You are obliged to cover all costs incurred by us, which are related to debt collection activities.

6. IN-APP PAYMENTS

6.1. We may enable Passengers to pay for the Transportation Service via cards, carrier billing and other payment methods (Bolt Business etc) directly in the Bolt App (i.e. In-app Payment). You hereby authorise us as your commercial agent to receive the Fares or other fees paid by the Passenger via In-app Payment and to forward relevant funds to you. Any payment obligation made by the Passenger via the In-app Payment shall be considered fulfilled as of the time that the payment has been made.

6.2. You may not refuse payment by the Passenger via the In-app Payment, or influence the Passenger against the use of the In-app Payment. In case you refuse to accept an In-app Payment without just cause, we shall be entitled to charge you a contractual penalty in the amount of 15 Euros for every refusal and/or block your right to use the Bolt Services in case of repetitive behaviour.

6.3. Bolt reserves the right to distribute promo code to riders at our discretion on a per promotional basis. You are required to accept the use of promo code only when the rider applies the code in-app to a trip using both card or cash payment. If the use of promo codes is suspected as being fraudulent, illegal, used by a Driver in conflict with our Terms and Conditions relating to promo code use, then the promo code may be canceled and the outstanding amount will not be reimbursed by Bolt to the Driver.

6.4 If the option is available and the Passenger chooses to Tip you directly in the Bolt App, the Tip will be collected by Bolt on your behalf together with the Fares and other fees paid by the Passenger via the In-app Payment. If the payment of the Tip is suspected as being fraudulent, illegal, for a purpose other than as a gratuity related to the service provided or used by a Driver in conflict with our Terms and Conditions and, then the Tip can be withheld by Bolt.

6.4. You are entitled to review In-app Payment reports in the Bolt Driver Account or App. The reports will show the amounts of the In-app Payments brokered in the previous week as well as the withheld amounts of the Bolt Fee. You must notify us of any important circumstances which may affect our obligations to collect and distribute the Fares paid via In-app Payment.

6.5. We are not obliged to pay you the Fare due from the Passenger if the In-app Payment failed because Passenger's credit card or other payment is cancelled or is unsuccessful for other reasons. In such case we will help you in requesting the Fare due from the Passenger and shall transmit it to you once the Passenger has made the requested payment.

6.6. Before providing Transportation Services, you must verify that the service is being actually provided to the right Passenger or the Passenger has expressly confirmed he/she allows other passengers to ride under Passenger's account. If you make a mistake in identifying the Passenger, and the In-app Payment is charged to a person, who has not been provided or has not approved the Transportation Services for other passengers, then we shall reimburse the person for the Fare. In such case you are not entitled to receive the Fare from us. Additionally, for every wrongfully applied In-app Payment, we shall be entitled to charge you a contractual penalty up to 10 Euros.

6.7. Please note that we will set off any Fares or Tip paid via In-app Payment against the amounts that you are obliged to pay to us (i.e. Bolt Fees and contractual penalties). We reserve the right to fulfil any of your financial liabilities to any Bolt group companies, in which case we will acquire the right to submit a claim against you. We may set off any of your financial liabilities against financial liabilities that you may have against us.

6.8. If we are not able to pay the Fees or Tip to you due to you not including your bank account details in your Driver's account or if the bank account details have been noted incorrectly, then we will hold such payments for 180 days. If you do not notify us of the correct bank account details within 180 days from the date that the right to claim such payments has been established, your claim regarding the payment of the Fare or Tip not transferred to you shall expire.

7. CUSTOMER SUPPORT

We provide the Drivers customer support regarding the use of the Bolt Services. We have the right to stop providing the customer support services in case you are in delay with any of the payments for more than 5 (five) calendar days.

8. RATINGS AND ACTIVITY

8.1. In order to guarantee high-quality service and provide additional reassurance to Passengers, you hereby acknowledge that the Passengers may provide you a rating and leave feedback regarding the quality of the Transportation Services that you have provided. Your average rating will be linked to your Driver's account and will be available to Passengers at Bolt App. If we find out the rating or comment is not given in good faith, this rating or comment may not be projected in the calculations of your rating.

8.2. In order to provide reliable services to Passengers, we may determine a minimum average rating score that Drivers must establish and maintain. This rating is used for ensuring safety and avoiding misconduct on our platform. If, after a pertinent notification from us, you do not increase your average rating score to minimum level within the prescribed time period, your Driver's account may be suspended either temporarily or permanently. We may reverse the suspension of your account if it is merited by any external circumstances or it is detected that the suspension was caused by a system error or false ratings.

9. MARKET OVERVIEWS AND CAMPAIGNS

9.1. Market overviews. We may send you, via the Bolt App, Bolt Driver Account, SMS, e-mail or other means, market overviews, in order to increase your awareness regarding when the demand by the Passengers is highest. Such market overviews are merely recommendatory and do not constitute any obligations for you. As the market overview estimations are based on previous statistics, we cannot give any guarantees that the actual market situation will correspond to the estimations provided in the market overview.

9.2. Campaigns promising minimum income. We may also provide campaigns, whereby we will guarantee a minimum income if you provide Transportation Services within a specified timeframe. If the specified minimum is not reached by you, we shall compensate for the gap. The specific requirements and conditions will be sent via the Bolt App, Bolt Driver Account,

SMS, e-mail or other means. We have full discretion in deciding if, when and to which Drivers we provide such campaigns. If we have reasonable cause to suspect any fraudulent activity by you, we may withhold your Fare until the suspicion of fraud has been cleared.

9.3. Campaigns for Passengers. We may also occasionally arrange various campaigns to Passengers in order to promote the Bolt Platform. If the Fare paid by the Passengers is reduced as part of such campaign, we shall pay you compensation, amounting to the monetary value of the benefit offered to the Passengers. We may set off the marketing compensation against the Bolt Fee.

10. RELATIONSHIP BETWEEN YOU, US AND THE PASSENGERS

10.1. You hereby acknowledge and agree that we provide an information society service and do not provide Transportation Services. By providing the Bolt Platform and Bolt Services, we act as a marketplace connecting Passengers with Drivers to help them move around cities more efficiently. You acknowledge that you are providing the Transportation Services on the basis of a contract for carriage of passengers and that you provide the Transportation Services either independently or via a company as an economic and professional activity. Bolt, as the operator of Bolt App acts as the commercial agent of the Drivers for the mediation of conclusion of contracts between the Driver and the Passenger, and thus, among other things, accepts payments from the Passengers and forwards the payments to the Driver.

10.2. You acknowledge that no employment agreement nor an employment relationship has been or will be established between you and us. You also acknowledge that no joint venture or partnership exists between you and us. You may not act as an employee, agent or representative of us nor bind any contract on behalf of us. If due to the implication of mandatory laws or otherwise, you shall be deemed an employee of us, you hereby agree to waive any claims against us that may arise as a result of such implied employment relationship. 10.3. You may not transfer your rights and obligations deriving from the General Terms or Agreement to any third party.

11.3. You have access to personal and other data provided by you or generated in connection with your use of the Bolt Services to the extent that is made available to you under your Bolt Driver Account through Bolt App. You shall take all reasonable steps to ensure confidentiality of such data and comply with applicable Privacy Policies and laws as long and to the extent that such data contains personal data of Passengers.

12. LIABILITY

12.1. The Bolt Platform is provided on an "as is" and "as available" basis. We do not represent, warrant or guarantee that access to Bolt Platform will be uninterrupted or error free. As the usage of Bolt Platform for requesting transportation services depends on the behavior of Passengers, we do not guarantee that your usage of the Bolt Platform will result in any Transportation Service requests.

12.2. To the maximum extent permitted under the applicable law, we, nor Bolt's representatives, directors and employees are not liable for any loss or damage that you may incur as a result of

using the Bolt Services, including but not limited to: 12.2.1. any direct or indirect property damage or monetary loss;

In case we are entitled to present any claims against you, then you shall compensate us any legal costs related to evaluation of the damages and submission of claims relating to compensation for such damage.

12.6. The Transportation Service Provider is solely responsible for complying and ensuring compliance of any Drivers providing Transportation Services on its behalf, with all relevant laws and regulations as well as with the Agreement for operating and using the chosen means of transport (e.g. licences, insurances, etc), including all applicable consumer laws.

13. TERM, SUSPENSION AND TERMINATION
