Platform Terms for Transport Services: Customers (Romania)

Last updated on: 15.11.2026

These Platform Terms apply to individuals (‘Customers’) that register with the Bolt Platform to access and review opportunities in Romania to request Transport Services.

Words and phrases capitalised in these Platform Terms have the meanings given in the glossary at section 14 below.

1. About Bolt and our relationship with you

Overview

1.1. Bolt operates an online platform in Romania (the 'Bolt Platform') that intermediates and matches independent professional transportation service providers ('Service Providers') with potential clients ('Customers').

1.2. As a Customer, you may access the Bolt Platform in accordance with these Platform Terms to review, and, if you choose, request and purchase Transport Services from Service Providers. Additional fees, such as cancellation or cleaning fees, may also apply, as set out in section 5.

1.3. Any agreement for the provision of Transport Services will be made between you and the relevant Service Provider. When we collect payments from you on behalf of Service Providers, we will do so as their appointed agent.

1.4. We will process your personal data in accordance with the privacy notice(s) for Romania made available at https://bolt.eu/privacy.

1.5. You must be at least eighteen (18) years old to register as a Customer and use the Bolt Platform.

Bolt’s role as the agent of Service Providers

1.6. For Ride-Hailing, by accessing the Bolt Platform, Service Providers appoint us as their agent to negotiate contracts for Transport Services made between Service Providers and Customers. This authorisation allows us to carry out functions such as:

1.6.1. matching your request with Drivers, as described in section 5;

1.6.2. calculating and communicating the proposed Fares for the acceptance by Customer and Driver, respectively, including estimated Fares and applicable Toll Payments, payable for Transport Services;

1.6.3. arranging collection of Fares, Cancellation Fees, and Cleaning Fees payable by you to Service Providers, and forwarding such payments to Service Providers; and

1.6.4. issuing receipts and/or invoices on a Service Provider’s behalf.

1.7. For Taxi Services, the Bolt Platform only facilitates access to Transport Services by allowing the Customer to place taxi Transport Service requests with Service Providers which may be accepted by such Service Providers in accordance with the terms and subject to the Fares applied by those Service Providers.

1.8. Please note that Service Providers:

1.8.1. must pay a commission to Bolt on amounts payable by Customers in connection with Transport Services;

1.8.2. are not required to access the Bolt Platform to provide Transport Services;

1.8.3. provide the Transport Services via vehicles which are not owned or in any way inspected by Bolt; and

1.8.4. are not prevented from providing Transport services independently of the Bolt Platform.

2. About these Platform Terms and the Bolt Platform

2.1. These Platform Terms:

2.1.1. take effect and apply to you from 15.11.2026, or from the date you first registered as a Customer — whichever is later;

2.1.2. remain in effect until terminated by you or Bolt in accordance with section 10; and

2.1.3. supersede all previous versions of the Platform Terms, however described.

2.2. Bolt may make changes to these Platform Terms and/or the Bolt Platform by providing you with reasonable notice before those changes take effect. If you do not agree with such changes, you can terminate your relationship with Bolt in accordance with section 10.

2.3. Bolt may also make changes to these Platform Terms or your use of the Bolt Platform immediately and without prior notice when:

2.3.1. you consent to the changes;

2.3.2. we make changes, updates or revisions to the Bolt Platform that are merely aesthetic, improve functionality, or that similarly do not significantly impact your use of the Bolt Platform;

2.3.3. we make changes, other than those set out in section 2.3.2, to introduce features on a temporary basis that are in a state of testing, trial, early access, preview or development;

2.3.4. the changes are urgently required to comply with applicable laws or regulations; or

2.3.5. we take urgent precautions in response to imminent dangers to Users, cybersecurity risks (including malware, spam or data breaches), or suspected unlawful or illegal activity.

2.4. When Bolt makes changes in accordance with sections 2.3.3 to 2.3.5 (inclusive), we will inform you of the relevant changes as soon as is reasonably practicable.

2.5. The content and functionality of the Bolt Platform is always provided on an “as is” and “as available” basis. By accessing and allowing access to the Bolt Platform, you acknowledge that:

2.5.1. Bolt makes no guarantee, whether express or implied, in respect of the availability of the Bolt Platform, its content or its function; and

2.5.2. Bolt may from time to time make features available on a temporary basis that are in a state of testing, trial, early access, preview or development.

3. Your rights of access to the Bolt Platform

3.1. Subject to these Platform Terms, we grant you a non-exclusive, revocable, and royalty-free right to use the Bolt Platform as made available to you, solely for the purposes of:

3.1.1. accessing and reviewing opportunities to request Transport Services; and

3.1.2. requesting Transport Services at your discretion.

3.2. Your right to access the Bolt Platform to review and request Transport Services is granted only:

3.2.1. for such periods that you are able to verify your identity and/or log-in credentials, to prevent unauthorised access;

3.2.2. in respect of access to any Category, only for so long as you meet the applicable Category requirements, if any;

3.2.3. for such periods that use of the Bolt Platform would not cause significant harm to its integrity or reputation.

3.3. For the sole purpose of preventing unauthorised access, Bolt may from time to time require Users to verify their identity and/or log-in credentials.

4. Information submitted to the Bolt Platform

4.1. You must ensure that all information you provide, or arrange to be provided, to Bolt in connection with your use of the Bolt Platform is accurate and up to date. This includes, where applicable, your name, contact details, photographic identification, address, company information, Payment Method and tax registration status. You are also responsible for updating or removing any such information that is no longer accurate or relevant.

4.2. You are solely responsible for ensuring that all information and content submitted or uploaded to the Bolt Platform by you is lawful. Bolt reserves the right to remove any illegal content from the Bolt Platform at any time, where applicable in accordance with its obligations under the Digital Services Act (EU: 2022/2065), which may occur without prior notice. If this happens, you will have the right to object in accordance with section 13.8.

4.3. Please note that Bolt may, after prior warning, suspend processing such objections if manifestly unfounded claims are submitted frequently, taking into account their volume, proportion, severity, and any bad-faith intent.

5. Transport Services

Overview

5.1. Subject to these Platform Terms, you may access the Bolt Platform to make requests for Transport Services to be provided by Service Providers and may subsequently enter into agreements with Service Providers for the provision of those services.

5.2. You may request Transport Services to be provided immediately or, where available, at a specified time.

5.3. Customers must confirm in advance via the Bolt Platform whether they will pay for the Transport Services:

5.3.1. via the Bolt Platform (in which case Bolt will arrange to collect amounts payable to Service Providers in connection with Transport Services as agent, in accordance with section, in accordance with section 6).

5.3.2. in cash (by paying the relevant Driver, who collects the payment on behalf of the Service Provider).

5.4. Please note that Service Providers and Drivers are third parties that are not under Bolt's direct control. They may cancel, decline or refuse to enter into agreements for the Transport Services when it is lawful to do so.

Requests for Ride-Hailing Services

5.5. In response to requests for Ride-Hailing Services made by Customers, Bolt will, acting as the appointed agent of Service Providers:

5.5.1. determine an estimated Fare for the Ride-Hailing Services to be agreed between Customers and Service Providers, taking into account:

5.5.1.1. the route and time of the requested Ride-Hailing Services;

5.5.1.2. (where applicable) the Category requested by the Customer;

5.5.1.3. (where applicable) whether the Customer has requested immediate pick-up or a scheduled pick-up time; and

5.5.1.4. other marketplace factors such as the availability of and demand for Drivers.

5.5.2. subject to sections 5.6 and 5.7, invite Drivers within reasonable proximity of the pick-up location to indicate their willingness to fulfil the Ride-Hailing Services, taking into account (for the purposes of determining the order and/or timing of such invitations):

5.5.2.1. the factors set out in section 5.5.1; and

5.5.2.2. other factors aimed at expediting the potential arrangement of Ride-Hailing Services, including the estimated arrival time of Drivers at the pick-up location and whether Drivers are currently fulfilling other Ride-Hailing Services.

5.6. Where available:

5.6.1. In certain high-demand locations with a large number of online Users, such as airports, Bolt may implement a "first in, first out" queuing system for inviting Drivers to indicate their willingness to fulfil Ride-Hailing Services.

5.6.2. Drivers may refine the invitations they receive by setting filters and parameters such as preferred pricing components or distance radiuses for pick-up locations.

5.7. To expedite the arrangement of Ride-Hailing Services and minimise unsuitable matches, Bolt may take into account circumstances where significant negative interactions, feedback or complaints have previously occurred between a specific Customer and a specific Driver.

5.8. You must pay the Service Provider a Cancellation Fee in the event of a cancellation, in accordance with sections 5.14 and 5.15.

5.9. You agree that any agreement for the provision of Ride-Hailing Services made between you and Service Providers will be made at the expiry of the relevant Cooling-Off Period.

5.10. If the Ride-Hailing Services commence, you will agree to pay the Service Provider:

5.10.1. the Fare; and

5.10.2. (if applicable) a Cleaning Fee, in accordance with section 5.16.

5.11. Please note that:

5.11.1. Fares are estimated by the Bolt Platform based on the pick-up and drop-off locations you provide. The amount payable to Service Providers, and the amount collected by Bolt, may increase if the destination or route changes after Ride-Hailing Services begin or if unexpected events such as road closures affect the duration of the trip or the Toll Payments that apply.

5.11.2. Service Providers and Drivers acting on their behalf may cancel, decline or refuse to enter into agreements for Ride-Hailing Services at any time, save when obliged to provide services by law or rules issued by regulatory authorities.

5.12. When Ride-Hailing Services have concluded (or otherwise ended), the applicable Fare payable will be calculated on the basis shown to you via the Bolt Platform prior to commencement of the Ride-Hailing Services taking into account any applicable Toll Payments.

5.13. Bolt does not prohibit or interfere with any additional lawful terms of service agreed between Customers and Service Providers in connection with Ride-Hailing Services, except where doing so would be in conflict with the provisions of these Platform Terms or the platform terms that apply to Service Providers. If any additional terms of service are agreed by you and a Service Provider, we recommend that you record details of your agreement for future reference. Bolt will not intervene if there is any dispute relating to such agreements.

Cancellation Fees

5.14. If you cancel your request (or otherwise do not proceed with an arrangement) for Ride-Hailing Services after the Cooling-Off Period, you will need to pay a Cancellation Fee. The amount payable will be made available to you in advance via the Bolt Platform and may vary by Category/or service.

5.15. Bolt's obligation to collect a Cancellation Fee arises only where the Service Provider genuinely intended to provide the applicable Ride-Hailing Services. If you believe you have been charged a Cancellation Fee in error, please contact our support team.

Cleaning Fees

5.16. You agree that a Service Provider may charge you a Cleaning Fee where a vehicle is left soiled, stained or dirty as a result of Ride-Hailing Services you have requested. Any Cleaning Fee is immediately due from you once incurred. For this purpose, Service Providers appoint Bolt to collect up to RON 100 (one hundred Romanian lei) on their behalf, and you agree that we may collect a Payment of up to this amount where applicable in accordance with section 6. For clarity, this does not prevent a Service Provider or their insurer from seeking additional sums directly from you, for example in the case of extensive damage, where lawful to do so.

Requests for Taxi Services

5.17. For Taxi Services, Bolt makes the Bolt Platform available to taxi the dispatching company to enable it to invite Drivers to indicate their willingness to fulfil the Taxi Services. You will exonerate Bolt from any liability arising out of or in relation to the applicable law and/or in accordance with the procedures applicable between dispatching companies and their respective Service Providers.

5.18. For Taxi Services, before the ride request is sent, the Bolt Platform displays an estimated Fare range, calculated based on the applicable initial fare, distance fare, and hourly fare, as well as the estimated distance and the estimated time for which the hourly fare applies, in accordance with the fare rules set forth in Law no. 38/2003 on taxi and rental transport. The displayed range does not represent a fixed price or a cap on the final Fare. Regardless of the Payment Method, the Fare due is the amount calculated and recorded by the Service Provider's taximeter in accordance with these rules and listed on the fiscal receipt at the end of the ride. For payments made through the Bolt Platform, the Customer's Payment Method will be charged exclusively for this amount.

Making payments to Service Providers

5.19. When you make payments to Service Providers via the Bolt Platform, Bolt will collect amounts payable by you to Service Providers in connection with Transport Services in accordance with section 6. When you agree to pay for Transport Services in cash, you are solely responsible for ensuring that you provide the relevant sums in cash to the Driver(s).

5.20. By requesting Transport Services, you agree with Bolt that you will comply with your obligations to make payments to Service Providers as applicable. If you fail to make payments owed to Service Providers, you may lose access to the Bolt Platform or be prohibited from using specific Payment Methods (e.g. paying for Transport Services in cash).

Access to Categories

5.21. Bolt may make different Categories available in a market to match: (i) Service Providers able to fulfil services in accordance with a given Category, and (ii) Customers who prefer services provided in accordance with that Category. For example, if an 'electric vehicle' Category is available, Bolt will aim to connect Customers selecting that Category exclusively with Service Providers operating electric vehicles.

5.22. Please note that Categories available to any Driver will depend on factors relevant to each Category and the marketplace (for example, a Driver must use an electric vehicle to access the 'electric vehicle' Category).

5.23. For more information on the Categories available in a particular marketplace, please contact our support team.

Promotions

5.24. Bolt may, at its discretion, make promotions available to Customers under which Bolt will provide a benefit for their use of the Bolt Platform.

5.25. When a promotion is offered by Bolt to Customers:

5.25.1. Receipt of the benefit is subject to completion of the applicable requirements of that promotion.

5.25.2. The promotion is subject to compliance with these Platform Terms. Bolt reserves the right to deny the benefit of any promotion where there has been a breach of these Platform Terms, including where you or any Passenger has participated in Prohibited Manipulative Conduct.

5.25.3. Access to the Bolt Platform will not be conditional on participation in or completion of any promotion.

6. Payments

6.1. In order to request services via the Bolt Platform, Bolt may require you to register at least one valid Payment Method with Bolt. You authorise us to store any Payment Method details you provide for your use of the Bolt Platform.

6.2. Bolt may carry out one or more verification steps to validate your Payment Method(s). This may include authorising your Payment Method(s) for one or two transactions for a nominal amount, which we ask you to confirm. Any amounts held for such purposes will be released.

6.3. In respect of Payments to be made via the Bolt Platform, you authorise Bolt to immediately:

6.3.1. collect all Payments from your selected Payment Method as soon as they are payable; and

6.3.2. arrange pre-authorisations for anticipated Payments prior to the completion of any services, where applicable, from your selected Payment Method.

6.4. If Bolt is unsuccessful in collecting any Payment from your selected Payment Method:

6.4.1. you authorise us to recover the outstanding Payment when you subsequently request services via the Bolt Platform; and

6.4.2. we may temporarily disable all or part of your access to the Bolt Platform until the Payment has been made in full.

6.5. Bolt may take reasonable steps to rectify any payment or charging error including by crediting or debiting an applicable Payment Method. If you receive any amounts from us in error, you agree to promptly notify us of the circumstances and to immediately return such amounts to us at our request via the payment details we provide you with.

6.6. When you agree to pay for Transport Services in cash, you are solely responsible for ensuring that you provide the relevant sums in cash to the Driver(s).

6.7. Where applicable, Bolt shall issue receipts and/or invoices on behalf of Service Providers in an electronic format. Bolt will not issue receipts and/or invoices on behalf of Service Providers for Taxi Services irrespective of the Payment Method and the obligation to issue the fiscal receipt shall be incumbent on the Driver.

6.8. Bolt may cancel, suspend, limit, or refuse payments made by you if Bolt has reasonable grounds to suspect that such payments or collections would be in error or unlawful, relate to Prohibited Manipulative Conduct, or relate to any other use of the Bolt Platform that is unlawful, illegal, or prohibited by international sanctions.

6.9. Where possible, Bolt will try to contact you in advance to inform you of the occurrence of any issues referred to in section 6.8 and, where applicable, attempt to resolve them, unless prohibited from doing so by regulatory or legal requirements, or unless Bolt has been advised by a competent authority, payment service provider, or legal adviser not to do so.

6.10. You are responsible for correctly selecting your preferred Payment Method when making Payments via the Bolt Platform. Bolt will not accommodate requests to change a Payment Method after a request has been made, as it is not appointed by Service Providers to do so.

6.11. Please note that if we collect Payments from you on behalf of Service Providers, your obligations to the relevant Service Provider(s) are discharged to the extent of those Payments once they are credited to our accounts.

7. General prohibitions

7.3. The proper functioning of the Bolt Platform depends on all Users acting in ‘good faith’ and with reasonable consideration for others. Accordingly, you must not use the Bolt Platform, or allow the use of it, in any way that significantly or persistently disrupts, interferes with, or delays the arrangement of Transport Services by other Users, or the matching of willing Customers and Service Providers by Bolt (as described in section 5), including by:

7.3.2. excessively remaining 'online' in the Customer App during periods of inactivity;

7.7. You are solely responsible for ensuring that any Passengers to be transported pursuant to your request(s) for Transport Services do not put you in breach of these Platform Terms.

7.8. For the avoidance of doubt, the prohibition of Discriminatory Behaviour set out in section 7.2.2 does not restrict your right to cancel requests or disengage from interactions for legitimate and lawful reasons.

7.9. Bolt has a zero-tolerance policy towards aggressive, intimidating or manipulative behaviour. You must not threaten, intimidate, dishonestly manipulate or otherwise abuse any employees, partners or agents of Bolt.

8. Investigations into unusual behaviour

8.1. If Bolt becomes aware of information indicating a potential breach of these Platform Terms, you must arrange for all necessary cooperation with Bolt's reasonable investigations without undue delay.

8.2. You acknowledge that Bolt may request feedback from Users to assist in detecting non-compliance with these Platform Terms.

9.2.1. health and safety concerns;

9.2.2. material or repeated breaches of these Platform Terms; or

9.2.3. where we are unable, or are advised not to do so, for regulatory or legal reasons.
