

MOTOR TRAFFIC INSURANCE CERTIFICATE

AXA France IARD (the "Insurer") certifies that it has agreed to provide an insurance policy to cover the period from 01.04.2026 00:00 hours to 24:00 hours of 31.03.2027 ("Policy Period") and this insurance policy will be renewed annually at the renewal date on the 01.04 of each year.

The **Motor traffic insurance Policy no. 22270361804** ("Policy") will be issued to and shall insure **Bolt Services AB** (the "Policyholder" or the "Insured"), registered in Stockholm under the number 559191-6993, whose address is Riddargatan 17D, 11457 Stockholm, Sweden.

The policy will also insure as beneficiaries:

- **All users of Bolt Services AB ("Riders") in Sweden.**

The purpose of this policy is to compensate personal injury and property damage on third party's property.

The Insurer shall compensate for damage to the extent that the personal injury or property damage is compensable under the mandatory provisions of the Motor Traffic Damage Act.

The latter provides for the following compensation limit, per vehicle, per claim:

- **Personal injury and property damage: SEK 300 000 000 without deductible.**

This certificate only indicates the agreement of the Insurer and Policyholder to arrange an insurance policy and is not intended to confirm, modify, extend, or substitute the content of the Policy or any terms that have been accepted by the Policyholder and that govern the cover intended to be provided by the Policy.

In witness whereof, the present certificate is hereby issued in Nanterre, France on March 24, 2026.
