How it works

When you select the Charity Category in the Bolt App and complete a ride, Bolt will donate EUR 0.50 per completed ride to Stichting Jarige Job from its own funds.

No additional fee is charged to you for selecting this category. The price of your ride remains the same as for equivalent rides outside the Campaign.

Users and drivers do not make donations under this Campaign. All donations are made solely by Bolt.

The total amount donated by Bolt is subject to a maximum campaign budget of EUR 3,500 (corresponding to a maximum of 7,000 completed rides). Once this amount is reached, the Campaign may end early.

Donations are not eligible for tax receipts.

Duration

The Campaign will be available in the Netherlands on April 27, 2026 (King’s Day), starting at 9:00 AM, and will run until the earlier of (i) the end of the promotional period as indicated in the Bolt App, or (ii) the moment the maximum total donation amount of EUR 3,500 is reached, subject to availability and operational considerations.

Additional Terms and Conditions

All other aspects of our relationship shall be governed by the Bolt General Terms and Conditions for Passengers (the “General Terms”), available in the Bolt App.

In case of any inconsistency between these Terms and the General Terms, the General Terms shall prevail.

Bolt's Privacy Notice applies to you for the purpose of this Campaign.

Changes to Campaign and/or Terms

Bolt may terminate this Campaign at its sole discretion at any time.

Limitation of Liability

Bolt's liability is limited as set out in the General Terms.

All donations are made directly by Bolt to the Project. The Bolt App only enables visibility and selection of the Charity Category.

You agree to hold Bolt harmless from any claims arising out of or related to the Project, to the extent permitted by applicable law.
