

Bolt Plus Subscription allows Users to enjoy the benefits listed in the tables below.

1. Benefits applicable to ride-hailing services

Ride-hailing services	
Benefit	Description
Cashback *	15% of the ride value for Comfort, Premium, or Scheduled Rides and 10% for other categories
Free cancellation	The ability to make 3 free trip cancellations each month
Priority Pickup	Priority connection between the Customer and the Service Provider

*Cashback will be credited to the User's Bolt Balance in the Bolt app and can be used to pay for Bolt services. Funds accumulated in this way have no expiration date. Funds from the Bolt Balance cannot be withdrawn as cash.

2. Benefits applicable to food and grocery delivery services*

Food and grocery delivery services*	
Benefit	Description
Delivery fee	Free delivery up to 10 PLN
Service fee discount	A reduction of up to

	50% on the service fee
Exclusive discounts	Access to special discounts on selected items on restaurant and store menus

*Benefits for food and grocery delivery services apply:

- when the minimum order value is reached: 35 PLN for food delivery (i.e., orders from restaurants); 70 PLN for grocery delivery (i.e., orders from grocery and retail stores);
- only to orders from partners (i.e., restaurants and stores) participating in the Bolt Plus program. These partners will be clearly marked in the Bolt app with the Bolt Plus icon.

Service fee discount and exclusive discounts apply only to selected partners participating in the Bolt Plus. The amount of the discount and rebates depends on the decision of the respective partner.
