

For owners:

By creating and managing a family profile (owner), you agree additionally to the following terms:

- You accept full responsibility for all activities conducted through your family profile, including those of your members.
- You are especially responsible for and agree to pay all fines (including e-vehicle parking fines), penalties, and damages incurred by any member.
- Your members are authorized to use all services offered on the Bolt platform by using your shared payment method.
- You are liable for all charges incurred by any member with your selected shared payment method.
- **By adding a member, you confirm they are 18 years of age or older. You accept full responsibility for all actions of added members and agree to cover any fines (including e-vehicle parking fines), penalties, or damages they may incur.**
- You warrant that you have obtained necessary permissions to share member information with Bolt when managing the family profile.
- These family profile conditions are governed by Bolt's Terms and Conditions. Violations by any member may lead to suspension or termination of the family profile and/or individual user accounts.
- Bolt processes your personal data as described in the Privacy Notice for Passengers.
- When services are used in different jurisdictions, you acknowledge that accepting these terms extends to the specific terms and privacy policies applicable in those locations.
- You maintain control over membership by having the ability to remove members at any time.
- Profile visibility, including ride notifications and trip history, exists between all members.

For members:

- You are responsible for all activities conducted through your membership in the family profile.
- Your membership permits booking of transportation services and placing orders, with payments automatically processed through the shared payment method set by your owner.
- **By joining the family profile, you confirm that you are at least 18 years old.**
- Your usage is subject to Bolt's Terms and Conditions and Privacy Notice. Violations may affect both the family profile and your personal account status.
- Your profile information, rides, fees, fines, invoices, receipts, ride notifications, and spending limits will be visible to the owner and other members.

Bolt processes your personal data as described in the Privacy Notice for Passengers, available here: <https://bolt.eu/en-gb/privacy/privacy-for-riders/?category=rides>.
